To transform the treadmill...

1. \_\_\_\_\_ Your Perspective
  - You \_\_\_\_\_ to work. *Genesis 1:27; John 5:17*
  - \_\_\_\_\_ realistic expectations.
    - A job won't \_\_\_\_\_ me; only \_\_\_\_\_ can do that. *Psalms 4:7*
    - There is no \_\_\_\_\_ job. All jobs...
      - Tire you *Genesis 3:17*
      - Have their problems *Ecclesiastes 10:8-9*
  - Ultimately, you work for \_\_\_\_\_.
  - Work to a higher \_\_\_\_\_. Your work...
    - Contributes to the whole society
    - Provides money for your goals
    - Is a way to please God *Colossians 3:22-25*
2. Work for \_\_\_\_\_ people *Ecclesiastes 10:5-7*  
Some employers/supervisors are:
  - Unethical—work for the \_\_\_\_\_
  - Stupid—work for the \_\_\_\_\_
3. Find a job that uses your \_\_\_\_\_ *Ecclesiastes 3:22*
